

Space Available List as of 12/7/2018

This listing is complete as of the date above. It will be updated weekly, however availability can change daily. New reservations will be assigned according to the date of receipt of the signed reservation form with a 25% deposit. The current floor plan can be viewed by going to <http://www.weftec.org/FloorPlans> or <http://www.expcad.com/host/fx/wef/19wftc/default.html>.

If your company is already assigned and wishes to relocate, please check the floor plan for booth availability. If you see a booth you wish to move into, send an email message to weftecsales@wef.org with the subject line "Booth Move Request". In your message, please give me the booth number and size, as well as your authorization to move your company. If you are interested in more than one possible move, include all information in one email. Please be certain to look at what companies are located around your desired location to make sure we won't be moving you too close to someone you don't want to be near!

All moves will be done Wednesdays and prior to the assignment of new reservations. All requests will be placed in order by date received and moved in that order. In cases where several companies have requested the same booth, the company with the highest longevity points will get the booth. For this reason, please include several booth numbers that you are interested in moving to, as your first choice may not be available. **All booth numbers in red were just released and are currently available for assignment.** Please write weftecsales@wef.org for space sizes not listed, as we can create almost any size booth you need.
