

Shared Island Booth List

Listed companies are defined as Shared Island booths, which have the following design regulations.

- Shared Islands will be set with 8' of drape between the two shared spaces
- The maximum height of 18' may be used through the entire booth space
- The maximum height of 18' includes both freestanding display items and hanging signs at the top of the sign
- Graphics within a Shared Island booth must be set 5' from the established shared drape line
- ***Any signage or graphics facing the drape and closer than 5' will be moved or removed at the Exhibitor's expense***
- Electrical/lighting truss or other support truss may be higher than the 18' maximum height, but may not exceed the booth's floor dimensions, and may not display any logo or other design elements

Visit <http://www.weftec.org/exhibitor-service-manual> for complete booth guidelines.

Company Name	Booth Number	Booth Size	Notes
Anaergia Inc	4045	20' x 20'	
Biolynceus Biological Solutions	943	15' x 20'	
CAD Control Systems	3511	20' x 20'	Low Ceiling – Hall E
California Motor Controls	4145	20' x 20'	
Continental Blower, LLC	4245	20' x 20'	
Endress+Hauser	2851	20' x 25'	
Flowrox Inc.	2607	15' x 20'	
Grande Water Management Systems	5647	15' x 20'	
Isle Utilities	3341	20' x 20'	Innovation Pavilion
LobePro Rotary Lobe Pumps	4241	20' x 20'	
Primozone	3507	20' x 20'	Low Ceiling – Hall E
Rockwell Automation	2951	20' x 25'	
Suncoast Electric Manufacturing	2611	15' x 20'	
United Blower	4141	20' x 20'	
US Synthetic Bearings	5649	15' x 20'	
Vanton Pump & Equipment Corp.	2535	20' x 20'	
Wager Company	2539	20' x 20'	
Water Warriors PRD Tech Inc	947	15' x 20'	
Waterman Industries, LLC	4041	20' x 20'	
Wisconsin Water Innovation Pavilion	3345	20' x 20'	Innovation Pavilion
