New York State Education Department Approval Details:

WEF has renewed our approval as a Sponsor of Continuing Education for Professional Engineers in New York State for another 3 year period. This renewal begins 02/01/2023 and ends 01/31/2026 - **NYSED Sponsor # 93**

Please review the attached approval letter for more information.

Attendees are required to submit copies of their certificate and transcript directly to the state. Documents may require special formatting by WEF staff to include WEF's sponsor number on all certificates and transcripts. Operators and Engineers should also supply WEF with their State License Number during or following the conference for documentation.

Please see attached approval letter for more information...

September 15, 2023
NYS Sponsor # 93

Mr. Matthew Jones
Water Environment Federation
601 Wythe St.
Alexandria, VA 22314-1994

Dear Mr. Jones:

I am pleased to inform you that Water Environment Federation has been approved as a sponsor of continuing education for professional engineers in New York State for another three-year period.

This three-year renewal begins **02/01/2023** and ends **01/31/2026**. If you intend to renew again, you will be required to submit a renewal application, along with the appropriate fee, prior to your expiration date. If you discontinue operation of this continuing education program, please notify this office regarding maintenance of records.

Please note courses that are not related to professional practice, such as accounting/financial planning, basic Auto CAD, general office management, insurance, marketing, real estate, risk management, etc. are not acceptable. **Please be sure that your NYS Sponsor # 93 is displayed prominently on each certificate of completion you award.**

If you have any questions regarding this renewal approval, please contact the Board Office. The contact information is provided above.

Sincerely,

New York State
Board for Engineering, Land Surveying
and Geology
