## Approval Details:

WEFTEC 2024® has been approved in WV for both wastewater/water operators and well drillers/pump installers:

- The course has been approved and given course numbers CEH2024-086 for water, WW2024-093 for wastewater, and WD/Pi2024-062 for well drillers/pump installers.

As individuals submit their completion certificates for the actual sessions attended to the Certification and Training Program, the documents will be reviewed to ensure applicability and determine duration.
