Approval Details:

The Board does not review or pre-approve continuing education. Training providers may offer CPE credit for any course at any time so long as the subject matter covers any of the following:

1. Waterworks/ wastewater works operations;
2. Monitoring, evaluating, and adjusting treatment processes and systems;
3. Operating and maintaining equipment;
4. Security and safety procedures;
5. General science and mathematical principles;
6. Administrative processes and procedures applicable to licensure; and
7. Laws and regulations applicable to the profession.
8. Utilities management

Providers must provide proof of completion that lists the name and dates of the course, the participant's name, and the number of course hours/CPE hours completed. For conferences and seminar type events, the sign-off sheet that lists the courses will suffice.
